It's winter time ... and with winter, comes the celebrations of our annual Winterfest. It gives me great pleasure – on behalf of my colleagues around the council chamber table – to extend to each and everyone, best wishes and enjoy.

We are very fortunate to be living in a climate where we can experience all the pleasures that snow brings. During Winterfest 2012, get out and share the experience – whether it is through attending a community meal or joining a friend at one of the many other special activities planned. This is a time to gather, celebrate our culture and relish the natural beauty of winter.

Also at this time, I would like to extend sincere congratulations to the Winterfest Committee for 2012. This group of volunteers has worked tirelessly on your behalf to ensure that this event is a success. Again, to the committee, enjoy the fruits of your labor and know that we have appreciated all the time, dedication and spirit that you have placed in the planning of this event.

To you, my fellow residents of Deer Lake and surrounding communities - enjoy the snow, take part in the activities and have fun, fun, fun.

Sincerely,
Dean Ball

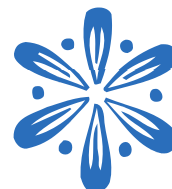

Mayor
